- c) How to retrieve your 'initial password'?
  - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
  - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
  - a) Click on **"Forgot User Details/Password?"** (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - b) **"Physical User Reset Password?"** (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.com](mailto:evoting@nsdl.com) mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
  - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

**Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.**

**How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

**General Guidelines for shareholders**

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to [gandhiofficeinfo@gmail.com](mailto:gandhiofficeinfo@gmail.com) with a copy marked to [evoting@nsdl.com](mailto:evoting@nsdl.com). ## ANNEXURE TO THE NOTICE

### EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 READ WITH THE COMPANIES (MANAGEMENT AND ADMINISTRATION) RULES, 2014, AND SECRETARIAL STANDARD ON GENERAL MEETINGS ("SS-2")

The following Statement sets out all material facts and rationale relating to the business mentioned under Item Nos. 3 to 4 of the accompanying Notice of AGM dated 13<sup>th</sup> August, 2025:

#### **Item No. 3**

The members of the Company at its 39<sup>th</sup> AGM held on 22<sup>nd</sup> September, 2022 had approved the appointment of M/s. Sarda & Pareek LLP (FRN: 109262W) ("Existing Auditors") as the Statutory Auditors of the Company for the period of three Years till the conclusion of 42<sup>nd</sup> AGM of the Company.

Due to completion of the tenure at the ensuing 42<sup>nd</sup> AGM, M/s. Sarda & Pareek LLP (FRN: 109262W) will not be able to continue as the Statutory Auditors of the Company hence, it is proposed to appoint the new Statutory Auditors and therefore the Board of Directors of the Company based on the recommendation of the Audit Committee, at their respective meetings held on 13<sup>th</sup> August, 2025, have approved the appointment of M/s. N.S. Gokhale & Co., Chartered Accountants (FRN: 103270W), as the new Statutory Auditors of the Company for a term of 3 consecutive years and to hold the office from the conclusion of this 42<sup>nd</sup> AGM until the conclusion of 45<sup>th</sup> AGM on such remuneration including out of pocket expenses and other expenses as may be mutually agreed by and between the Board of Directors and the Auditor.

M/s. N.S. Gokhale & Co., Chartered Accountants (FRN: 103270W), have consented and confirmed that their appointment, if made, will be within the limits specified and will be in compliance with the eligibility criteria / requirements specified under the Companies Act, 2013 and the RBI Guidelines.

**Additional information about Statutory Auditors pursuant to Regulation 36(5) of the Listing Regulations & Brief Profile & Rationale are provided below:**

**b) Compensation Policy:**

In view of detailed RBI Guidelines for NBFCs concerning compensation of KMP and SMP, the Company has in place a specific Compensation Policy to this effect. Accordingly, this NRC policy has to be read along with this specific policy adopted pursuant to RBI Guidelines as regards compensation of KMP and SMP. The objective of this policy are:

- To lay down broad framework for payment of compensation to the directors (Executive and Non-Executive), Key Managerial Personnel, Senior Management and other employees;
- To ensure 'fit and proper' status of proposed/existing directors and that there is no conflict of interest in appointment of directors on Board of the Company, KMPs and Senior Management.
- To ensure that the compensation packages of Whole-Time Directors (if any), key managerial personnel and senior management involves a balance between fixed and variable pay reflecting short and long term performance objectives appropriate to the working of the company and aligned with the regulatory requirements;
- The level and composition of compensation is reasonable and sufficient to attract, retain and motivate directors, KPMs and SMPs of the quality required to efficiently run the company successfully.

#### (a) ECONOMIC REVIEW:

##### • Global Economy

The global economy was grappling with multiple challenges, primarily due to unresolved and ongoing geopolitical tensions—most notably between Russia and Ukraine, and between Israel and Iran. Several countries introduced tariffs on global trade in March 2023, followed by retaliatory actions that disrupted international trade, increased inflation, and slowed economic growth. Higher import costs are expected to raise consumer prices in many regions.

The global economy navigated a complex landscape influenced by geopolitical shifts, trade fluctuations and inflationary pressures in 2024. Despite persistent challenges, proactive policies and continued investments in key sectors strengthened stability and resilience. The **Global Economy** grew by 3.5% in 2023, with a slight slowdown

to 3.3% in 2024. **Advanced Economies** grew at a steady 1.7% in 2023 and at 1.8% in 2024, constrained by high interest rates. Meanwhile, **Emerging Markets and Developing Economies (EMDEs)** expanded by 4.7% in 2023 and 4.3% in 2024. Heightened supply chain vulnerabilities prompted businesses and governments to re-evaluate trade dependencies and implement strategic measures to enhance economic stability.

**Source:** International Monetary fund April 2025 report.

The global economy is to grow steadily at 2.8% in 2025 and 3.0% in 2026, supported by stable performance in both advanced and emerging markets. Growth in advanced economies is likely to stay modest at 1.4% in 2025 and 1.5% in 2026, influenced by domestic demand and different policy approaches. Meanwhile, emerging markets such as China and India are expected to show stronger growth of 3.7% in 2025 and 3.9% in 2026, despite global uncertainties and recent trade tensions. Even so, economies are expected to stay resilient by adopting new technologies and implementing strategic policy measures.

#### • Indian Economy

India continued to be one of the fastest-growing major economies, driven by strong domestic demand, structural reforms and supportive policies. In recent years, the country's rapid economic expansion enabled it to surpass the UK, making it the world's fifth-largest economy. However, in FY 2025, global uncertainties, rising geopolitical tensions and persistent inflationary pressures contributed to a slowdown in overall economic growth.

Inflationary pressures remained a key concern in FY2025, driven by global supply chain disruptions and commodity price volatility. In response, the RBI's Monetary Policy Committee (MPC) reduced the repo rate by 25 basis points in two successive cuts, bringing it down to 6% as of April 2025, while continuing with an accommodative stance. Consumer Price Index (CPI) inflation is expected to average 4.9% in FY2025, down from 5.4% in the previous year, and is projected to ease further to 4.0% in FY2026.

India continued on a steady path of economic growth, driven by a strong manufacturing sector, an expanding services industry and increased investments in infrastructure. Various government-led initiatives, including digital transformation efforts and financial inclusion programs, played a crucial role in strengthening domestic manufacturing capabilities and attracting foreign direct investment (FDI) across key sectors. The availability of capital, evolving investment trends and access to credit remained essential factors in driving economic expansion, supporting business growth, facilitating infrastructure development and creating employment opportunities. Additionally, interest rates and government policy measures significantly contributed to maintaining economic stability, positively influencing various industries and boosting consumer demand. The steady rise in urbanisation, along with a rapidly growing middle class, further contributed to increased consumer spending across multiple sectors. With these strong economic drivers in place, India's economy is projected to grow at a robust rate of 6.5% in FY 2026.

However, risks stemming from geopolitical tensions, global commodity price fluctuations and financial market uncertainties persist. Looking ahead, India's economic outlook remains positive, with growth projections exceeding the global average. India is well-positioned to sustain its growth momentum and establish itself as a leading economic powerhouse.

**(b) OUTLOOK:**

NBFCs are set to become key enablers of India's economic progress by extending access to formal credit in traditionally underserved segments, aligning with the country's goals.

In a landscape where customer demands are evolving and digital-first models are gaining ground, incumbent NBFCs must reimagine their operational frameworks, while new players need to carefully evaluate their entry strategies. As lending activities scale, it becomes imperative for these institutions to strengthen their risk management practices and governance structures.

According to ICRA Ratings, credit growth in the NBFC sector was about 17% in the financial year 2022-23 and the financial year 2023-24, but it is expected to moderate to 13–15% in the financial year 2024-25 and the financial year 2025-26. This deceleration is not a sign of weakening fundamentals; rather, it reflects a maturing sector where institutions are balancing risk and growth cautiously.

Additionally, the sector is likely to benefit from easing liquidity conditions and potential interest rate cuts, which could support net interest margins and return on assets of NBFCs. However, challenges such as asset quality concerns in microfinance and unsecured lending segments remain monitorable. Overall, NBFCs are anticipated to experience stable asset quality and sustained earnings growth, positioning them favourably in India's evolving financial landscape.

**Chart depicts the projections for India's GDP Growth by various institutions in FY 2026.**

**(c) INDUSTRY STRUCTURE AND DEVELOPMENTS:**

India's financial sector is highly diversified and continues to expand rapidly, with new entrants joining established players across banking, insurance, NBFCs, housing finance companies, co-operatives, pension funds, mutual funds, and other financial intermediaries. As the effects of the COVID-19 pandemic gradually fade, the sector is well-positioned to sustain growth, supported by strong fundamentals, adequate liquidity, robust government and regulatory backing, and the accelerating pace of digital adoption. Digitalisation, in particular, is set to play a far greater role in shaping the financial ecosystem than ever before, driving efficiency, customer outreach, and financial inclusion.

- Non-Banking Financial Companies:**

The NBFC sector plays a vital role in India's financial system by extending credit to a broad range of economic segments, including those underserved by traditional banks. At the same time, NBFCs maintain strong linkages with commercial banks, mutual funds, and insurance companies, enabling financial stability and ensuring a diversified funding base. Assets under management (AUM) growth is projected to remain healthy at 15–17% over FY2025 and FY2026.

While this represents a moderation from the strong 23% growth recorded in FY2024, it remains above the decade-long average of 14% per annum (FY2014–2024), underscoring the sector’s structural strength.

The NBFC industry has weathered successive challenges since FY2019—ranging from the failure of a large NBFC and subsequent liquidity stress, to the COVID-19 pandemic, and more recently, monetary policy tightening amid elevated inflation. These pressures, however, have eased over the past two years. According to the RBI’s Financial Stability Report (December 2024), the sector remains resilient, supported by robust capital buffers (Capital to Risk-Weighted Assets Ratio at 26.1% as of September 2024), healthy profitability (Net Interest Margin at 5.1% and Return on Assets at 2.9%), and improving asset quality (Gross Non-Performing Assets at 3.4% of gross loans).

Despite these challenges, NBFCs have maintained adequate provisioning for non-performing assets, reflecting sound loan resolution mechanisms and improving asset quality. Looking ahead, regulatory recalibration—with a sharper emphasis on customer protection, operational compliance, and transparent pricing disclosures—is expected to shape lending practices and strengthen the sector’s long-term resilience.

### NBFC Industry Outlook

NBFCs are strengthening their position by diversifying funding sources, tapping both domestic capital markets and offshore avenues, while also leveraging strategic partnerships with banks to expand their financial reach. Policy interventions that ease regulatory constraints and improve funding access could further enhance sectoral stability. Despite the banking sector’s dominance, NBFCs continue to attract investor interest owing to their resilience and growth potential. With a strong capital base and evolving strategies, the sector is well-positioned to navigate challenges effectively, ensuring a stable outlook for FY2026 and contributing to financial inclusion.

Looking ahead, the NBFC sector is poised for stronger growth in FY 2025–26, aided by the Reserve Bank of India’s recent repo rate cuts and changes in income tax slabs designed to boost consumer spending. According to a CRISIL report, AUM growth is projected to recover to 16–18% in FY 2026–27, following a moderation in FY 2025–26. The report also expects asset quality to remain stable during the current fiscal, further reinforcing the sector’s outlook.

- **Equity Markets:**

The Indian stock market closed FY 2024-25 with modest gains, demonstrating resilience despite significant foreign portfolio investor (FPI) outflows in the latter half of the year.

### Trends in Foreign Portfolio Investment Flows

The Nifty index delivered positive returns, outperforming several Asian peers such as Japan’s Nikkei 225 and South Korea’s KOSPI. However, Hong Kong’s Hang Seng Index led the regional markets with a remarkable 39.8% return.

India is the fourth-largest market by market capitalization. India's domestic equity markets continue to rank fourth globally with a market cap of over USD 4.0 trillion.

India's economic transformation over the past few decades has been marked by rapid growth and a dynamic evolution of its financial landscape. At the heart of this transformation lies the rise of capital markets, which have played a pivotal role in driving capital formation, deepening the financialization of domestic savings, and facilitating wealth creation. A key contributor to this growth has been the surge in investor participation—the number of investors expanded from Rs. 2.3 Crore in FY15 to Rs. 19.2 Crore in FY25, reflecting a robust CAGR of 23% over the decade.

(f) **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Management has laid down a set of standards, processes and structure which enables it to implement internal financial controls across the organization with reference to financial statements and such controls are adequate and are operating effectively. Internal Finance control framework has been established in line with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note').

As a part of the effort to evaluate the effectiveness of the internal control systems, your Company's internal audit system reviews all the control measures on a periodic basis and recommends improvements, wherever appropriate. The Company has in place adequate internal control systems and procedures commensurate with the size, scale, complexity and nature of its business. These systems and procedures provide reasonable assurance of adherence to the accounting procedures and policies, maintenance of proper accounting records, reliability of financial information, compliance with regulatory directives, efficacy of its operating systems, protection of resources and safeguarding of assets against unauthorized use. The management regularly reviews the internal control systems and procedures, undertake corrective actions, in their respective areas and thereby strengthen the controls.

The internal financial control is supplemented by extensive internal audits, regular reviews by the Management and standard policies and guidelines to ensure reliability of financial and all other records to prepare financial statements, its reporting and other data. The Audit Committee of the Board reviews internal audit reports given along with management responses. The Audit Committee also monitors the implemented suggestions. The Company has, in all material respects, adequate internal financial control over financial reporting and such controls are operating effectively.

The Statutory Auditors of the Company have also certified the existence and operating effectiveness of the internal financial controls relating to financial reporting as of 31<sup>st</sup> March, 2025. During the year under review, no material or serious observation has been observed for inefficiency or inadequacy of such controls.

**(ii) Board Meetings and Attendance of Directors:**

The Board meets at least once in a quarter to consider amongst other business the performance of the Company and approve the quarterly financial results. Additional Board meetings are convened as necessary. During the period, Board meetings were held through both Video Conference and Physical attendance. Where meetings were held physically, they were held at the Registered Office of the Company with an option extended to the Directors to attend through video conferencing, in compliance with the applicable provisions of the Companies Act, 2013 and relevant rules. Agenda for each meeting along with explanatory notes are drafted and distributed well in advance to the Directors to enable them to go through the same and take informed decisions. To ensure confidentiality and integrity of information, the agenda is circulated to all Directors of the Board and Members of the Committee through password- encrypted files. Additional agenda items are taken up with the permission of the Chair and with the requisite consent of the majority of directors present at the meeting. Every Board Member is free to suggest the inclusion of items on the agenda. However, in case of special and urgent business, the approval of the Board and the committee members are obtained by passing the circular resolutions as permitted under the applicable Act, which are noted and confirmed in the subsequent Board and committee meetings. The Company Secretary ensures that the Board and the committees of the Board are provided with the relevant information, details and documents required for decision making well in advance. The Company Secretary attends all the meetings of the Board and its committees and is, inter alia, responsible for recording the minutes of such meetings.

The senior officials of the Company are invited to the Board meetings with respect to the items concerning them to provide additional inputs as and when necessary. The Board periodically reviews and takes note of, inter alia, the compliance confirmations in respect of laws and regulations applicable to the Company. The draft minutes of the Board and Committee meetings are circulated amongst the Directors/Members for their perusal and comments in accordance with Secretarial Standard-1 (SS-1) issued by the Institute of Company Secretaries of India. Suggestions, if any, received from the Directors/Members are suitably incorporated in the draft minutes, in consultation with the Chairman of the Board/Committee. Minutes are signed by the Chairman of the Board/Committee at the next meeting or one day before the next meeting by the chairman of previous meeting.

Six (6) meetings of the Board of Directors were held during the financial year 2024-2025 on the following dates: 29<sup>th</sup> May, 2024, 29<sup>th</sup> July, 2024, 13<sup>th</sup> August, 2024, 13<sup>th</sup> November, 2024, 12<sup>th</sup> February, 2025 & 19<sup>th</sup> March, 2025. The Board met at least once in every quarter. The requisite quorum was present at all the meetings.

In addition to the above, Eleven (11) Circular Resolutions were passed during the year in compliance with Section 175 of the Companies Act, 2013.

**(iv) Familiarisation Programme for Independent Directors:**

Pursuant to Regulation 25 (7) of the Listing Regulations, the Company has put in place a system to familiarize its Independent Directors with the Company. The Company has familiarized its Independent Directors with providing insights into the Company and to enable them to understand the Company's business in depth, to familiarize them with the processes and functionalities of the Company to assist them in understanding their roles and responsibilities. Further, the Independent Directors are provided with opportunity to interact with the Management of the Company and help them to understand the Company's strategy, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model of the Company and such other areas as may arise from time to time through various programmes.

As a part of the initial familiarisation programme, a formal letter of appointment is being issued by the Company to the independent directors outlining the role, functions, duties and responsibilities of the independent directors being appointed. The letter of appointment as issued to the independent directors is available on the website of the Company at [https://winrocommercial.com/id/DRAFT%20LETTER%20OF%20APP\\_Winro.pdf](https://winrocommercial.com/id/DRAFT%20LETTER%20OF%20APP_Winro.pdf)

The said familiarisation programme was conducted for the familiarisation of Independent Directors. The details of the same can be found on the website of the Company – [www.winrocommercial.com](http://www.winrocommercial.com) & through the following link: [https://winrocommercial.com/policies/final%20Details\\_of\\_Familiarisation\\_Programme\\_Winro%2012.03.2025.pdf](https://winrocommercial.com/policies/final%20Details_of_Familiarisation_Programme_Winro%2012.03.2025.pdf)

**(v) Board Diversity:**

In compliance with the provisions of the Listing Regulations, the Board through Nomination and Remuneration Committee ('NRC') has devised a policy on Board Diversity. The Board comprises an adequate number of members with diverse experience and skills, such that it best serves the governance and strategic needs of the Company. The directors are persons of eminence in areas of financial services, technology, banking, business transformation and strategy, audit and risk management, finance, law, administration, research, and investment banking, etc. and bring with them experience/skills which add value to the performance of the Board.

**(vi) Succession Planning:**

Succession planning is an essential component for the survival and growth of any business as it ensures continuity of business process. It provides a way to identify key roles, people with the right skills/talent and filling up the vacancy, as and when required. In compliance with Regulation 17(4) of the Listing Regulations, the Board satisfies itself that plans are in place for effective succession for appointment to the Board and senior management.

**C. BOARD COMMITTEES**

The Board Committees play a vital role in ensuring sound corporate governance practices. To enable better and more focused attention on the affairs of the Company, the Board has delegated matters to the committees set up for that purpose. The Committees have oversight of operational issues assigned to them by the Board. The Board Committees are set up under the formal approval of the Board to carry out clearly defined roles, under which are performed by the members of the Board as part of good governance practice.

As on 31<sup>st</sup> March, 2025, there were Ten (10) core Committees constituted by the Board. They are as follows:

| <b>Redressal of Investor Grievances through SEBI Complaints Redressal System (SCORES)</b> | <p>SCORES (SEBI Complaints and Redressal System) is a centralized web based grievance redressal system launched by SEBI (<a href="https://scores.sebi.gov.in/">https://scores.sebi.gov.in/</a>). SCORES provide a platform for aggrieved investors, whose grievances, pertaining to securities market, remain unresolved by the concerned Listed Company or registered intermediary after a direct approach. This enables the market intermediaries and Listed Companies to check the complaints online from investors, redress such complaints and report redressal online. All the activities starting from lodging of a complaint till its closure by SEBI would be handled in an automated environment and the complainant can view the status of his complaint online. An investor, who is not familiar with SCORES or does not have access to SCORES, can lodge complaints in physical form at any of the offices of SEBI. Such complaints would be scanned and also uploaded in SCORES for processing.</p> <p>SEBI vide its circular SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/131 &amp; SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 dated 31<sup>st</sup> July, 2023 &amp; 4<sup>th</sup> August, 2023 respectively, read with Master Circular dated 31<sup>st</sup> July, 2023 (updated as on 11<sup>th</sup> August, 2023), has established a common Online Dispute Resolution Portal (“ODR Portal”) for resolution of disputes arising in the Indian Securities Market.</p> <p>An investor/client shall first take up his/her/their grievance with the Listed Company by lodging a complaint directly with the Listed Company. If the grievance is not redressed satisfactorily, the investor/client may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. After exhausting these options for resolution of the grievance, if the investor/client is still not satisfied with the outcome, he/she/they can initiate dispute resolution through the ODR Portal- <a href="https://smartodr.in/login">https://smartodr.in/login</a>.</p> |

**(ix) Share Transfer System:**

The Stakeholders Relationship Committee examines and redresses investors' grievances. The status of investors' grievances and share transfers are reported to the Board.

As mandated by SEBI, securities of the Company can be transferred /traded only in dematerialised form. Further, SEBI vide its circular dated 25<sup>th</sup> January, 2022, mandated that all service requests for issue of duplicate certificate, claim from unclaimed suspense account, renewal/exchange of securities certificate, endorsement, sub-division/splitting/consolidation of certificate, transmission and transposition which were allowed in physical form should be processed in dematerialized form only.

The shareholders who continue to hold shares and other types of securities of Listed Companies in physical form even after this date, will not be able to lodge the shares with Company / its RTA for further transfer. They will need to convert them to demat form compulsorily if they wish to effect any transfer. Only the requests for transmission and transposition of securities in physical form, will be accepted by the Listed Companies / their RTAs.

However, investors are not barred from holding shares in physical mode. We request shareholders whose shares are in physical mode to dematerialize their shares. It is the Company's constant endeavor to encourage the shareholders to dematerialize their shares held in physical form.

During the year under review, the Company obtained following certificate regarding reconciliation of the Share Capital Audit of the Company on quarterly basis from a Practicing Company Secretary and submitted the same to the stock exchanges within stipulated time.

All share transfer and other communication regarding share certificates, change of address, dividend etc. should be addressed to R&T Agents of the Company at the address given above.

**Reconciliation of Share Capital Audit Report**

As stipulated by SEBI, a qualified Practising Company Secretary carries out Secretarial Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. The audit is carried out every quarter and the report thereon is submitted to the stock exchange where the Company's shares are listed. The audit confirms that the total Listed and Paid-up Capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.

A Practising Company Secretary carried out Share Capital Audit to reconcile the total admitted equity share capital with the NSDL and CDSL and total issued and listed equity share capital.

**(xiii) Outstanding GDRs/ADRs/Warrants or any Convertible Instruments, conversion date and likely impact on equity:**

There are no GDR/ADR/Warrant or any Convertible Instruments pending conversion or any other instrument likely to impact the equity share capital of the Company.

**(xiv) Commodity price risk or foreign exchange risk and hedging activities:**

The Company does not deal with any commodity and hence not exposed to any direct commodity price risk. However, the Company, in the capacity of an investor may be exposed to indirect commodity risk on account of its investee Company who are dealing in commodities. The Company does not have any foreign exchange receivable and foreign exchange payable.

**(xv) List of all credit ratings obtained by the entity along with any revisions thereto during the relevant financial year, for all debt instruments of such entity or any fixed deposit programme or any scheme or proposal of the listed entity involving mobilization of funds, whether in India or abroad:**

The Company is not required to avail any credit ratings and hence not obtain any credit ratings.

**(xvi) Disclosure of certain types of agreements binding listed entities:**

**Information required to be disclosed under clause 5A of paragraph A of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015:**

The Company has not entered into such agreements as which could impact the management or control of the listed entity or impose any restriction or create any liability upon the listed entity.

**(xvii) Registration/Updation of PAN, KYC & Nomination details:**

SEBI vide its Master circular no. SEBI/HO/MIRSD/ MIRSD-PoD/P/CIR/2025/91 dated June 23, 2025, has mandated that any service request from members holding securities in physical mode shall be entertained only upon registration of the PAN and KYC details. Members are requested to submit Form ISR-1 duly filled and signed along with self-attested copy of the PAN card and such other documents as prescribed in the form, to register or update:

- PAN and KYC details
- E-mail address to receive communication through electronic means.

Members are also requested to update their nomination by submitting Form SH-13 or Form ISR-3 for opting out of nomination.

Communication in this regard has been sent to all physical holders whose folios are not KYC compliant at the latest available address/email-id. Members are once again requested to update their KYC details by submitting the Investor Service Request (ISR) Forms, viz. ISR-1, ISR-2, ISR-3/SH-13, as applicable, duly complete and signed by the registered holder(s) to the Company's RTA.

Further, the aforesaid SEBI Master Circular has simplified the procedure and standardized the format of documents for transmission of securities. Accordingly, Members are requested to submit their service requests by submitting a duly filled and signed Form ISR-4 and ISR-5 (in case of transmission). As mandated by SEBI, all such service requests will be processed by the Company/RTA in dematerialized mode only.

The said forms are available on the website of the Company at <https://winrocommercial.com/investor-services.asp>.

## INDEPENDENT AUDITOR'S REPORT

### To The Members of WINRO COMMERCIAL (INDIA) LIMITED Report on the audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including other comprehensive income), Statement of changes in Equity and Statement of Cash flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information. (Herein referred to as "Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income, (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statement.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Key Audit Matters                                                                                                                                                                              | How our audit addressed the key audit matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| The Company's investments (including investment in Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. | <p>We have assessed the Company's process to compute the fair value of various investments. For Quoted instruments we have independently obtained market quotations and calculated the fair valuations. For Unquoted instruments (included investment in associates) we have obtained an understanding of the valuation methods used by Management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.</p> <p>We have verified that all the investments are held in the name of the Company. Our audit procedures over the valuation of all investments included reviewing valuation of all investments held as at March 31, 2025. Based on the audit procedures performed we are satisfied with existence and valuation of investments.</p> |

#### Other Information

The Company's management and board of directors are responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Management Discussion and Analysis, Corporate Governance Report in Annual Report of the Company for the financial year 2024-25 but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's management and board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and the board of directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures

are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation..

Materiality is the magnitude of misstatements in the Standalone Financial statements that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **"Annexure 1"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books. Further, back-up of the books of accounts and other books and papers of the Company maintained in electronic mode has been maintained on servers physically located in India.
  - c. The Standalone Balance Sheet, the Standalone Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.
  - e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure 2"**.
  - g. **ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT**

Annexure Referred to in Independent Auditors' Report on the Standalone Financial Statements of Even date to the members of **WINRO COMMERCIAL (INDIA) LIMITED** for the year ended March 31, 2025

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

**Meaning of Internal Financial Control over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

**Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

We have audited the internal financial controls with reference to standalone financial statements of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at March 31, 2025, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

Hence the company follows the Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023, as amended.

The Standalone Financial Statements for the year ended 31<sup>st</sup> March, 2025 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on 28<sup>th</sup> May, 2025.

**2. MATERIAL ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS****MATERIAL ACCOUNTING POLICIES:****2.1 STATEMENT OF COMPLIANCE**

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

Accordingly, the Company has prepared these Standalone Financial Statements which comprises of the Balance Sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss for the year ended on 31<sup>st</sup> March 2025, the Statement of Cash Flows for the year ended on 31<sup>st</sup> March 2025 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone financial statements' or 'financial statements').

**2.2 BASIS OF PREPARATION & PRESENTATION OF FINANCIAL STATEMENTS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other relevant provisions of the Act on an accrual basis. The financial statements have been prepared on a going concern basis.

**Historical Cost Convention**

The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value at initial and subsequent measurement as explained in the accounting policies below.

Historical cost is the consideration paid in exchange for the goods and services or the amount paid for acquiring the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis.

The financial statements are presented in INR, which is also the Company's functional currency and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

**Critical accounting estimates and judgments**

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

possible that the outcomes in the subsequent financial years could differ from those on which the management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment (refer Note No. 2.7)
- Fair value of financial instruments (Refer Note No 2.7)
- Impairment on financial assets (Refer Note No 2.7)
- Provision for tax expenses (Refer Note No 2.13)
- Provisions, Contingent liabilities and Contingent assets (Refer Note No 2.15)

#### Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity as provided by the Ministry of Corporate Affairs (MCA) under Division III of Schedule III. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note No. 35 of Standalone Financial Statements .

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

### 2.3 PROPERTY, PLANT & EQUIPMENT (PPE) :

#### Recognition and initial measurement

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment losses, if any.

Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition / construction / development of tangible assets, if any, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as a separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

#### Subsequent measurement (depreciation and useful lives)

Depreciation / amortization is recognised on a written-down basis as under:

| Assets                                 | Useful life  |
|----------------------------------------|--------------|
| <b>Property, Plant &amp; Equipment</b> |              |
| 1. Office Equipment                    | 5 years      |
| 2. Computers                           | 3 years      |
| 3. Windmill                            | 22 years     |
| 4. Furniture & Fixture                 | 5 / 10 years |
| 5. Vehicles                            | 8 / 10 years |

Assets costing less than Rs. 5,000 are fully depreciated in the year of purchase.

Depreciation method, useful life and residual value are reviewed periodically.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

The carrying amount of PPE is reviewed periodically for impairment based on internal / external factors. An impairment loss is recognised whenever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

**De-recognition**

PPE are de-recognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

**2.4 BUSINESS COMBINATION :**

Business Combinations are accounted for using the acquisition method of accounting, except for common control transactions which are accounted using the pooling of interest method that is accounted at carrying values.

The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities assumed at the acquisition date i.e., the date on which control is acquired. Contingent consideration to be transferred is recognised at fair value and included as part of cost of acquisition. Transaction related costs are expensed in the period in which the costs are incurred.

**2.5 LEASE****Short-term leases:**

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term period of less than 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

**2.6 INVESTMENTS IN ASSOCIATES :****Associates:**

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Investments in Associates are accounted at Fair value as per Ind AS 109 and the same has been classified under Level 3 Investments.

**2.7 FINANCIAL INSTRUMENTS :****Recognition of Financial Instruments**

Financial instruments comprise of financial assets and financial liabilities. Financial assets and liabilities are recognised when the company becomes the party to the contractual provisions of the instruments.

Financial assets primarily comprise of trade receivables, loan receivables, investments in shares & securities etc.

Financial liabilities primarily comprise of borrowings, trade payables and other financial liabilities etc.

**Initial Measurement of Financial Instruments**

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- a. if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day one profit or loss);
- b. in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. the recognition of profit or loss on day one will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be released to the Statement of profit and loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

**Subsequent Measurement of Financial Assets**

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

The Company recognises all the financial assets, other than measured at fair value or amortised cost, which are realised within 12 months, from the reporting date, at cost & not at fair value or amortised cost but tested for impairment.

**Business model assessment**

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is assessed on an instrument by instrument basis.

- **Classification of Financial Assets**

For the purpose of subsequent measurement, financial assets are classified into four categories:

- Debt instruments at amortised cost
- Debt instruments at Fair value through Other Comprehensive Income (FVOCI)
- Debt and equity instruments at FVTPL
- Equity instruments designated at FVOCI
- **Debt instruments at amortised cost :**

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to other entities.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR).

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025➤ **Debt instruments at FVOCI :**

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI) under the head "items reclassify to profit & loss". The interest income on these assets is recognised in profit or loss.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

➤ **Debt / equity instruments at FVTPL:**

The Company classifies financial assets which are held for trading & has elected to classify some other equity instruments under FVTPL category. These instruments are recorded and measured in the standalone balance sheet at fair value. Interest income is recognised in profit & loss as per the terms of contract. Dividends are recognised in profit or loss as dividend income when right to receive payment has been established. Gains and losses on changes in fair value of these debt and equity instruments are recognised on net basis through profit or loss.

The Company's majority of the investments into mutual funds, bonds, equity shares, alternative investment funds have been classified under this category.

➤ **Equity instruments designated at FVOCI:**

The Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 'Financial Instruments. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on equity instruments measured through FVOCI are never recycled to profit or loss, even on sale of investments. Dividends are recognised in profit or loss as dividend income when right to receive payment has been established.

**De-recognition of Financial Assets**

A financial asset is de-recognised only when:

- The Company has transferred the right to receive cash flows from the financial assets; or
- The right to receive cash flows from the asset have expired; or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes contractual obligations to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received or receivable in profit & loss in case financial assets classified under FVTPL category.

In case of financial asset classified under FVOCI category, the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in other equity is transferred to retained earnings if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

**Write-off**

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

**Reclassifications**

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. Such reclassification needs to be approved by the Board of Directors of the company.

**Impairment of Financial Assets**

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not FVTPL. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

**Measurement of expected credit loss**

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows which the Company expects to receive).

IND AS 109 requires all financial instruments other than those recognised as FVTPL and equity instruments to be classified into one of the three stages (Stage 1, Stage 2 or Stage 3) based on the assessed credit risk of the instrument/facility.

There are three stages:

- Stage 1 would include all facilities which have not undergone a significant increase credit risk
- Stage 2 would include facilities meeting the criteria for Significant Increase in Credit Risk and facilities with Days Past Due (DPD) 30 or more. The Company may rebut this presumption based on behavioral pattern of financial instruments and
- The stage 3 will have facilities classified as NPA and facilities with DPD 90 or more.

**Asset Classification and Provisioning**

Loan asset classification and requisite provision made under RBI prudential norms are given below:

| Particulars        | Criteria                                                                                                                                                                                                  | Provision                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------|
| Standard asset     | The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business. | 0.40% of the outstanding loan portfolio of standard assets.   |
| Sub-standard asset | An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months.                                                                                       | 10% of the outstanding loan portfolio of sub-standard assets. |
| Loss asset         | An asset for which, interest/principal payment has remained overdue for a period of 12 months or more.                                                                                                    | 100% of the outstanding loan portfolio of loss assets.        |

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

The Company continuously monitors all the financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- (a) Historical trend of collection from counterparty;
- (b) Company's contractual rights with respect to recovery of dues from counterparty;
- (c) Credit rating of counterparty and any relevant information available in public domain;

After applying above criteria, the Management has decided to make minimum ECL provision as the provisioning rates (as given in above table) as per RBI prudential norms unless higher provisioning is required as per the above criteria.

### Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company or a contract that will or may be settled in the its's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of its own equity instruments.

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

#### a) Subsequent measurement

Financial liabilities are subsequently carried at amortised cost using the EIR method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR). Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

The Company recognises all the financial liabilities, other than those measured at fair value or amortised cost, which are settled within 12 months, from reporting date, at cost & not at fair value or amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and the transaction cost. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

#### b) De-recognition

A financial liability (or a part of a financial liability) is de-recognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the Statement of Profit and Loss.

### Fair value measurement

The Company measures financial instruments at fair value on initial recognition and uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

**Level 1** - Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).

**Level 2** - Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to measure fair value of an instrument are observable, the instrument is included in level 2.

**Level 3** - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

Fair value of unquoted investment in National Stock Exchange of India Limited which is covered in Level 2 is derived from the reported trades in share of NSE for the month of March for respective years. Further value is taken at price at which maximum trades were reported in the month of March for respective years.

For unlisted group companies and other unlisted companies (other than classified as Level 2), for which latest standalone / consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest audited balance sheet by applying below formula:

“(Share capital + other equity - prepaid expenses) / no of equity shares = value per share.”

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

#### **Derivative financial instruments**

The Company uses derivative financial instruments for trading purposes. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss as “Gain / (Loss) from trading in securities (future and option segments)” under the head “Net gain / (loss) on fair value changes.”

#### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

## **2.8 REVENUE RECOGNITION**

### **A. Interest Income**

For all financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets.

### **B. Sale of product**

Sale is recognised when the power is delivered by the Company at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Wind Energy Purchase Agreement. Sale of product is accounted for as per tariff specified in the Wind Energy Purchase Agreement.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

The sale of product is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

**C. Dividend Income**

Dividend income is recognised when the Company's right to receive payment is established.

**D. Net gain on fair value changes**

The Company recognises gains/losses on fair value changes of financial assets measured at FVTPL in the statement of profit & loss, which are further bifurcated between realised & unrealised gain / (loss). Net gain of fair value changes includes gain / (loss) on trading of shares & securities held as Stock in trade, gain / (loss) from shares trading in derivatives segment and realised / unrealised gain or (loss) on other financial instruments fair value through profit & loss account (FVTPL).

**E. Other revenue from operations**

**a. Fees**

A fee on financial guarantee is recognised based on term of engagement, if any.

**F. Other Income**

Other incomes are accounted on accrual basis.

**2.9 EXPENDITURES**

**A. Finance costs**

Borrowing costs on financial liabilities are recognised using the EIR.

**B. Others**

Other expenses are accounted on accrual basis.

**2.10 FOREIGN CURRENCY TRANSACTIONS**

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rate of exchange prevailing on the date of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing on that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

All exchange differences are recognised in the Statement Profit and Loss in the period in which they arise.

**2.11 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash on hand & bank balance in current account and deposit in fixed account with original maturities of three months or less, if any.

**2.12 BORROWING COSTS**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets as defined in Ind AS 23 are capitalised as a part of costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

Interest expenses are calculated using the EIR and all other Borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

Interest expense on Amount borrowed specifically for Initial Public Offering (IPO) – Anchor and QIB Category are capitalised to investments.

**2.13 INCOME TAXES****A) Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Current income tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

**B) Deferred tax**

Deferred income tax is recognised using the balance sheet approach.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) a)When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- b) In respect of taxable temporary differences associated with investments in associates, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred taxes are not provided on the undistributed earnings of associates where it is expected that the earnings of the associates will not be distributed in the foreseeable future. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Such deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

**Presentation of current and deferred tax:**

Current and deferred tax are recognised as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognised in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**2.14 IMPAIRMENT OF NON-FINANCIAL ASSETS**

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

**2.15 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised in the financial statements.

**2.16 STATEMENT OF CASH FLOWS**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in inventories, operating receivables, payables and transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses and;
- iii. all other items for which the cash effects are investing or financing cash flows. Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

**2.17 EARNINGS PER SHARE**

Basic earnings per share is calculated by dividing the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**2.18 INVESTMENT PROPERTY**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is de-recognised.

Investment properties are subsequently measured at cost less depreciation. Investment properties are depreciated using the straight-line method over their estimated useful lives.

**2.19 RETIREMENT BENEFITS****Short-Term Employee Benefits**

Liabilities for salary and bonus, including non-monetary benefits, if any and accumulated leave balance in respect of employees' services up to the end of the reporting period, are recognised as liabilities and expenses.

**Defined Contribution Plan and Defined Benefit Plan**

Retirement benefits in the form of provident fund under the Employees Provident Fund (Misc. Provisions) Act, 1952 and gratuity under the Payment of Gratuity Act, 1972 are not applicable to the Company as the total numbers of employees are below the minimum required number of employees as specified in respective acts.

However on prudent basis the company provides the liability for gratuity benefits covering all its eligible employees who has completed a minimum of five years of continuous service with the company up to the date of reporting period.

**Other Long-Term Benefits**

The expected costs of other long-term employee benefits such as accumulated leaves are accrued over the period of employment and same has been provided based on accrual basis at year end.

**2.20 SHARE CAPITAL**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options, and buyback of ordinary shares are recognised as a deduction from other equity.

**2.21 SEGMENT REPORTING**

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one reportable business segment viz. "Investments, Trading in shares and securities & Lending Activities".

**2.22 COMMITMENTS**

Commitments are future liabilities for contractual payments, classified and disclosed as follows:

- i. estimated amount of contracts remaining to be executed on capital account and not provided for;
- ii. uncalled liability on shares and other investments partly paid;
- iii. other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Nature and Purpose of Reserves:

a) **Statutory reserve under Section 45 IC of The RBI Act, 1934**

Every year the Company transfers a sum of not less than twenty per cent of net profit of that year as disclosed in the statement of profit and loss to its Statutory Reserve pursuant to Section 45-IC of the RBI Act, 1934.

**The conditions and restrictions for distribution attached to statutory reserves as specified in Section 45-IC(1) in The Reserve Bank of India Act, 1934:**

- Every non-banking financial company (NBFC) shall create a statutory reserve fund and transfer therein a sum not less than twenty per cent of its net profit every year as disclosed in the profit and loss account and before any dividend is declared.
- No appropriation of any sum from the statutory reserve fund shall be made by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty one days from the date of such withdrawal:  
Provided that the RBI may, in any particular case and for sufficient cause being shown, extend the period of twenty-one days by such further period as it thinks fit or condone any delay in making such report.
- Notwithstanding anything contained in sub-section (1), the Central Government may, on the recommendation of the RBI and having regard to the adequacy of the paid-up capital and reserves of a NBFC in relation to its deposit liabilities, declare by order in writing that the provisions of sub-section (1) shall not be applicable to the NBFC for such period as may be specified in the order:

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

(Rs. in Lakhs, unless otherwise stated)

Provided that no such order shall be made unless the amount in the reserve fund under sub-section (1) together with the amount in the share premium account is not less than the paid-up capital of the NBFC.

**b) General reserve**

Amounts set aside from retained profits as a reserve to be utilised for permissible general purpose as per applicable Law.

**c) Retained earnings**

Retained earnings represents profits that the company earned till date including impact of changes in fair value of investments which are classified as FVTPL category, realised profit/(loss) on de-recognition of assets classified as FVOCI, less any transfers to General reserve, Statutory reserve, Dividends and other distributions paid to the shareholders.

**d) Other comprehensive income on equity securities**

The Company has elected to recognise changes in the fair value of certain investments in equity shares securities in other comprehensive income. These changes are accumulated in the Other comprehensive income-equity investments reserve. The Company transfers amounts (net of tax) from this reserve to retained earnings when the relevant equity securities are derecognised.

## Note

- 1) The evaluation of uncertain tax positions involves an interpretation of relevant tax laws which could be subject to challenge by the tax authorities and an assessment of whether the tax authorities will accept the position taken. The Company does not currently consider that assumptions or judgements made in assessing tax liabilities have a significant risk resulting in a material adjustment within the next financial year. (Refer note 33)

## Note 32 : Transferred financial assets that are derecognised in their entirety but where the Company has continuing involvement

The Company has not transferred any assets that are derecognised in their entirety where the Company continues to have continuing involvement.

**Loans**

The Company considers default in all cases when the borrower becomes 90 days past due on its contractual payments. All performing standard assets loans are classified under Stage 1.

**Expected Credit Loss (ECL) on Financial Assets**

The Company continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired :

- (a) Historical trend of collection from counterparty
- (b) Company's contractual rights with respect to recovery of dues from counterparty
- (c) Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with contract and the cash flows that the Company expects to receive). The Company has following types of financial assets that are subject to the expected credit loss:

- (a) Cash and cash equivalent
- (b) Bank balance other than (a) above
- (c) Loans
- (d) Trade receivables
- (e) Investment in unlisted securities
- (f) Other financial assets

**Fair value hierarchy:**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- (a) **Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, derivative instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).
- (b) **Level 2:** Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- (c) **Level 3:** If one or more of the significant Inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

**Valuation techniques used to determine fair value :**

1. Closing NAV Statement from Mutual fund is used to determine fair value of unquoted Mutual Fund, if any.
2. Fair values of quoted investments held for trading & investment purpose and derivative instruments under FVTPL are valued using the closing price of NSE / BSE as at the reporting period, if any.
3. Fair values of quoted investments routed through FVOCI are valued using the closing price of NSE / BSE as at the reporting period, if any.
4. Fair value of unquoted investments, covered in Level 2, are derived from transaction in said securities between unrelated parties in the month of March 2025. The valuation of AIFs was based on NAV reports provided by the respective AIFs. In the previous year, the fair value of a quoted investment in one of the group companies, which was classified under Level 2, was further adjusted to account for cross-holdings within the group.
5. For unlisted group companies investments, for which latest consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest Consolidated audited balance sheet by applying below formula: "Share capital + other equity - prepaid expenses) / no of equity shares = value per share."

## Valuation techniques :

## Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalents, trade receivables, balances other than cash and cash equivalents and trade payables without a specific maturity. Such amounts have been classified as Level 1 / Level 3.

## d Inter level transfers:

There were no inter-level transfers during the year, except for the investment in equity shares of Saraswati Commercial (India) Ltd, which was transferred from Level 2 to Level 1, as its fair value is now derived using the closing price on BSE as of the reporting date, without any cross-holding adjustment.

## Note 38: Capital Management

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves attributable to the equity shareholders of the Company. The primary objective of the company, when managing capital, is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure, so as to maximize shareholders' value. As at 31<sup>st</sup> March, 2025, the Company has only one class of equity shares and has Borrowings (other than debt securities). In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or reinvestments into business based on its long term financial plans.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

(Rs. in Lakhs, unless otherwise stated)

The Company is subject to the capital adequacy requirements of the Reserve Bank of India (RBI). Under RBI's capital adequacy guidelines, the Company is required to maintain a capital adequacy ratio consisting of Tier I and Tier II Capital. The minimum capital ratio as prescribed by RBI guidelines and applicable to the Company, consisting of Tier I and Tier II capital, shall not be less than 15 percent of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet. The Tier I capital, at any point of time, shall not be less than 10 percent.

The Company has complied with all regulatory requirements related capital and capital adequacy ratios as prescribed by RBI.

**"Tier I Capital"** means owned fund as reduced by investment in shares of other non-banking financial companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, 10 percent of the owned fund.

**"Owned Fund"** means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any

**Tier II capital" includes the following -**

- Preference shares other than those which are compulsorily convertible into equity;
- Revaluation reserves at discounted rate of fifty five percent;
- General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth percent of risk weighted assets.
- Hybrid debt capital instruments; and
- Subordinated debt to the extent the aggregate does not exceed Tier I capital.

**Aggregate Risk Weighted Assets -**

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on-balance sheet assets and off- balance sheet assets. Hence, the value of each of the on-balance sheet assets and off- balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.

**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**
**(Rs. in Lakhs, unless otherwise stated)**
**Note 46 : Employee Benefits**

Retirement benefits in the form of provident fund under the Employees Provident Fund (Misc. Provisions) Act, 1952 and gratuity under the Payment of Gratuity Act, 1972 are not applicable to the Company as the total number of employees are below the minimum required number of employees as specified in respective Acts. However on prudent basis the company provides the liability for gratuity benefits covering all its eligible employees who has completed a minimum of five years of continuous service with the company up to the date of reporting period.

The expected costs of other long-term employee benefits such as accumulated leaves are accrued over the period of employment and same has been provided based on accrual basis at year end. The Code on Social Security, 2020 (the Code) has been enacted, which would not impact to the company.

**Note 47 .** 1. There are no significant subsequent events that would require adjustments or disclosures in the financial statements as on the Balance sheet date.

2. Amounts less than Rs 500 have been shown as "0.00".

**Note 48.** Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

\*Gross Carrying amount includes accrued interest on loan as on 31<sup>st</sup> March, 2025.

In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13<sup>th</sup> March, 2020 on Implementation of Indian Accounting Standards, Non-banking finance Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the Company is equal to the total provision required under IRACP (including provision on standard assets), as at 31<sup>st</sup> March, 2025 and accordingly, no amount is required to be transferred to impairment reserve.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF WINRO COMMERCIAL (INDIA) LIMITED

#### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We have audited the accompanying consolidated financial statements of **WINRO COMMERCIAL (INDIA) LIMITED** ("the Company") and its associates companies, which comprise the consolidated Balance Sheet as at March 31, 2025 and the consolidated statement of Profit and Loss (including other comprehensive income), consolidated statement of changes in Equity and consolidated statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information. (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate consolidated financial statements of associates referred to in the "Other Matters" paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associates, as at March 31, 2025, of consolidated profit and loss including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its associates, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditors referred to in paragraph (a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis of our audit opinion on the consolidated financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the current financial year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

| Key Audit Matters                                                                                                                                                                               | How our audit addressed the key audit matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

#### Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's report, corporate governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the section 134 (5) of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company including its associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Company and of its associates are responsible for assessing the ability of the Company and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company and its associates or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies and of its associates are responsible for overseeing the financial reporting process of the Company and of its associates.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of its Associates to express an opinion on the consolidated financial statements. For the Associates included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

The Consolidated Financial statements includes total of the Company's share of net profit/(loss) after tax of Rs. 6,180.11 Lakhs, other comprehensive income of Rs. 8,175.43 lakhs and total comprehensive income of Rs. 14,355.54 lakhs for the year ended 31<sup>st</sup> March, 2025, as considered in the Consolidated Financial Statements, in respect of its associates Singularity Holdings Limited, Better Time Realtors Private Limited, Arkaya Commercial Private Limited, Four Dimensions Securities (India) Limited, Urudavan Investment & Trading Private Limited (Associate w.e.f. 21/01/2025) and Saraswati Commercial (India) Limited (Associate w.e.f. 19/03/2025) whose financial statements have not been audited by us except in case of one associate. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our report in term of subsection (3) of section 143 of the Act, in so far as it relates to the aforesaid associates is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**

Annexure Referred to in Independent Auditors' Report on the Consolidated Financial Statements of even date to the members of **WINRO COMMERCIAL (INDIA) LIMITED** for the year ended March 31, 2025.

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025 we have audited the internal financial controls over financial reporting of WINRO COMMERCIAL (INDIA) LIMITED ("the Company") and its associates which are incorporated in India, as of that date.

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Company and its Associates which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

**Meaning of Internal Financial Control over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company and its Associates which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**2. MATERIAL ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS**

**MATERIAL ACCOUNTING POLICIES:**

**2.1 STATEMENT OF COMPLIANCE**

The Consolidated Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013. Accordingly, the Company has prepared these Consolidated Financial Statements which comprises of the Balance Sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss for the year ended on 31<sup>st</sup> March 2025, the Statement of Cash Flows for the year ended on 31<sup>st</sup> March 2025 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Consolidated Financial Statements' or 'financial statements').

**2.2 BASIS OF PREPARATION AND PRESENTATION OF CONSOLIDATED FINANCIAL STATEMENTS**

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other relevant provisions of the Act on an accrual basis. The Consolidated financial statements have been prepared on a going concern basis.

**NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025****Historical Cost Convention**

The Consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value at initial and subsequent measurement as explained in the accounting policies below.

Historical cost is the consideration paid in exchange for the goods and services or the amount paid for acquiring the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis.

The financial statements are presented in INR, which is also the Company's functional currency and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

**Critical accounting estimates and judgments**

The preparation of the Company's consolidated financial statements requires management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment (refer Note No. 2.8)
- Fair value of financial instruments (Refer Note No 2.8)
- Impairment on financial assets (Refer Note No 2.8)
- Provision for tax expenses (Refer Note No 2.14)
- Provisions, Contingent liabilities and Contingent assets (Refer Note No 2.16)

**Presentation of financial statements**

The Company presents its Consolidated Balance Sheet in order of liquidity as provided by the Ministry of Corporate Affairs (MCA) under Division III of Schedule III. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note No. 35 of consolidated financial statement.

The Company generally reports financial assets and financial liabilities on a gross basis in the Consolidated Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

**2.3 PRINCIPLES OF CONSOLIDATION**

The consolidated financial statements incorporate the financial statements of the Company and it includes the Company's share of profits, net assets and retained post acquisition reserves of the associates that are consolidated using the equity method of consolidation.

The accounting policies of the associate companies are consistent with those of the Company. If an associate uses accounting policies other than those of the Company for like transactions and events in similar circumstances, appropriate adjustments are made to the associate's financial statements when they are used by the Company in applying the equity method. If it is not practicable to do so, that fact is disclosed along with a brief description of the differences between the accounting policies

**Associate Companies**

Associates are those entities over which the Company has significant influence, but not control or joint control. Investments in associates are accounted for using the equity method and, are initially recognised at cost from the date significant influence commences, and thereafter, recognises the Company's share of post-acquisition profits or losses of the investee in the Statement of Profit and Loss, and the Company's share of Other Comprehensive Income of the investee in other comprehensive Income. Dividend received or receivable from associates are recognised as a reduction in the carrying amount of the investment. When the Company's share of losses exceeds the carrying value of investment in associates, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Company has incurred obligations in respect of the associates.

**2.4 USE OF ESTIMATE**

The preparation of these consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities, as at the date of the consolidated financial statements and, the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised, and in the future periods which are affected.

**2.5 PROPERTY, PLANT & EQUIPMENT (PPE)****Recognition and initial measurement**

Property, plant and equipment are stated at cost less accumulated depreciation/amortization and impairment losses, if any.

Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition / construction / development of tangible assets, if any, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as a separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

**Subsequent measurement (depreciation and useful lives)**

Depreciation / amortization is recognised on a written-down basis as under:

| Assets                                 | Useful life  |
|----------------------------------------|--------------|
| <b>Property, Plant &amp; Equipment</b> |              |
| 1. Office Equipment                    | 5 years      |
| 2. Computers                           | 3 years      |
| 3. Windmill                            | 22 years     |
| 4. Furniture & Fixture                 | 5 / 10 years |
| 5. Vehicles                            | 8/10 years   |

Assets costing less than Rs. 5,000/- are fully depreciated in the year of purchase.

Depreciation method, useful life and residual value are reviewed periodically.

The carrying amount of PPE is reviewed periodically for impairment based on internal / external factors. An impairment loss is recognised whenever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

**De-recognition**

PPE are de-recognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

**2.6 BUSINESS COMBINATION**

Business Combinations are accounted for using the acquisition method of accounting, except for common control transactions which are accounted using the pooling of interest method that is accounted at carrying values. The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities assumed at the acquisition date i.e., the date on which control is acquired. Contingent consideration to be transferred is recognised at fair value and included as part of cost of acquisition. Transaction related costs are expensed in the period in which the costs are incurred.

**2.7 LEASE****Short Term Leases:**

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term period of less than 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

**2.8 FINANCIAL INSTRUMENTS****Recognition of Financial Instruments**

Financial instruments comprise of financial assets and financial liabilities. Financial assets and liabilities are recognised when the company becomes the party to the contractual provisions of the instruments.

Financial assets primarily comprise of trade receivables, loan receivables, investments in shares & securities etc.

Financial liabilities primarily comprise of borrowings, trade payables and other financial liabilities etc.

**Initial Measurement of Financial Instruments**

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows: :

- a. if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day one profit or loss);
- b. in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. the recognition of profit or loss on day one will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be released to the statement of profit and loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

**Subsequent Measurement of Financial Assets**

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

The Company recognises all the financial assets, other than measured at fair value or amortised cost, which are realised within 12 months, from the reporting date, at cost & not at fair value or amortised cost but tested for impairment.

**Business model assessment**

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is assessed on an instrument by instrument basis.

- **Classification of Financial Assets**

For the purpose of subsequent measurement, financial assets are classified into four categories:

- Debt instruments at amortised cost
- Debt instruments at Fair value through Other Comprehensive Income (FVOCI)
- Debt and equity instruments at FVTPL
- Equity instruments designated at FVOCI
- **Debt instruments at amortised cost :**

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to other entities.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR).

- **Debt instruments at FVOCI :**

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.
- Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI) under the head "items reclassify to profit & loss". The interest income on these assets is recognised in profit or loss.
- On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025➤ **Debt / equity instruments at FVTPL:**

The Company classifies financial assets which are held for trading & has elected to classify some other equity instruments under FVTPL category. These instruments are recorded and measured in the consolidated balance sheet at fair value. Interest income is recognised in profit & loss as per the terms of contract. Dividends are recognised in profit & loss as dividend income when right to receive payment has been established. Gains and losses on changes in fair value of these debt and equity instruments are recognised on net basis through profit or loss.

The Company's majority of the investments into mutual funds, bonds, equity shares have been classified under this category.

➤ **Equity instruments designated at FVOCI:**

The Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 'Financial Instruments. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on equity instruments measured through FVOCI are never recycled to profit or loss, even on sale of investments. Dividends are recognised in profit & loss as dividend income when right to receive payment has been established.

**De-recognition of Financial Assets**

A financial asset is de-recognised only when:

- The Company has transferred the right to receive cash flows from the financial assets; or
- The right to receive cash flows from the asset have expired; or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes contractual obligations to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received or receivable in profit & loss in case financial assets classified under FVTPL category.

In case of financial asset classified under FVOCI category, the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in other equity is transferred to retained earnings if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

**Write-off**

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

**Reclassifications**

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. Such reclassification needs to be approved by the Board of Directors of the company.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**Impairment of Financial Assets**

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not FVTPL. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

**Measurement of expected credit loss**

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows which the Company expects to receive).

IND AS 109 requires all financial instruments other than those recognised as FVTPL and equity instruments to be classified into one of the three stages (Stage 1, Stage 2 or Stage 3) based on the assessed credit risk of the instrument/facility.

There are three stages:

- Stage 1 would include all facilities which have not undergone a significant increase credit risk.
- Stage 2 would include facilities meeting the criteria for Significant Increase in Credit Risk and facilities with Days Past Due (DPD) 30 or more. The Company may rebut this presumption based on behavioral pattern of financial instruments and
- The stage 3 will have facilities classified as NPA and facilities with DPD 90 or more.

**Asset Classification and Provisioning**

Loan asset classification and requisite provision made under RBI prudential norms are given below:

| Particulars        | Criteria                                                                                                                                                                                                  | Provision                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------|
| Standard asset     | The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business. | 0.40% of the outstanding loan portfolio of standard assets.   |
| Sub-standard asset | An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months.                                                                                       | 10% of the outstanding loan portfolio of sub-standard assets. |
| Loss asset         | An asset for which, interest/principal payment has remained overdue for a period of 12 months or more.                                                                                                    | 100% of the outstanding loan portfolio of loss assets.        |

The Company continuously monitors all the financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- (a) Historical trend of collection from counterparty;
- (b) Company's contractual rights with respect to recovery of dues from counterparty;
- (c) Credit rating of counterparty and any relevant information available in public domain;

After applying above criteria, the Management has decided to make minimum ECL provision as the provisioning rates (as given in above table) as per RBI prudential norms unless higher provisioning is required as per the above criteria.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**Financial liabilities**

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company or a contract that will or may be settled in the its's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of its own equity instruments. All financial liabilities are subsequently measured at amortised cost using the effective interest method.

**a. Subsequent measurement**

Financial liabilities are subsequently carried at amortised cost using the EIR method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR). Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

The Company recognises all the financial liabilities, other than those measured at fair value or amortised cost, which are settled within 12 months, from reporting date, at cost & not at fair value or amortised cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and the transaction cost. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

**b. De-recognition**

A financial liability (or a part of a financial liability) is de-recognised from the Company's consolidated balance sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the consolidated statement of Profit and Loss.

**Fair value measurement**

The Company measures financial instruments at fair value on initial recognition and uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1** - Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).

**Level 2** - Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to measure fair value of an instrument are observable, the instrument is included in level 2.

**Level 3** - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

Fair value of unquoted investment in National Stock Exchange of India Limited which is covered in Level 2 is derived from the reported trades in share of NSE for the month of March for respective years. Further value is taken at price at which maximum trades were reported in the month of March for respective years.

For unlisted group companies and other unlisted companies (other than classified as Level 2), for which latest Standalone / Consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest audited balance sheet by applying below formula:

“(Share capital + other equity - prepaid expenses) / no of equity shares = value per share.”

For assets and liabilities that are recognised in the consolidated financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

#### **Derivative financial instruments**

The Company uses derivative financial instruments for trading purposes. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss as “Gain / (Loss) from trading in securities (future and option segments)” under the head “Net gain / (loss) on fair value changes.”

#### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

## **2.9 REVENUE RECOGNITION**

### **A. Interest Income**

For all financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets.

### **B. Sale of product**

Sale is recognised when the power is delivered by the Company at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Wind Energy Purchase Agreement. Sale of product is accounted for as per tariff specified in the Wind Energy Purchase Agreement. The sale of product is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

### **C. Dividend Income**

Dividend income is recognised when the Company's right to receive payment is established.

### **D. Net gain on fair value changes**

The Company recognises gains/losses on fair value changes of financial assets measured at FVTPL in the statement of profit & loss, which are further bifurcated between realised & unrealised gain / (loss). Net gain of fair value changes includes gain / (loss) on trading of shares & securities held as Stock in trade, gain / (loss) from shares trading in derivatives segment and realised / unrealised gain or (loss) on other financial instruments fair value through profit & loss account (FVTPL).

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**E. Other revenue from operations****a. Fees**

A fee on financial guarantee is recognised based on term of engagement, if any.

**F. Other Income**

Other incomes are accounted on accrual basis.

**2.10 EXPENDITURES****A. Finance costs**

Borrowing costs on financial liabilities are recognised using the EIR.

**B. Others**

Other expenses are accounted on accrual basis.

**2.11 FOREIGN CURRENCY TRANSACTIONS**

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rate of exchange prevailing on the date of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing on that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

All exchange differences are recognised in the Statement Profit and Loss in the period in which they arise.

**2.12 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash on hand & bank balance in current account and deposit in fixed account with original maturities of three months or less.

**2.13 BORROWING COSTS**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets as defined in Ind AS 23 are capitalised as a part of costs of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

Interest expenses are calculated using the EIR and all other Borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

Interest expense on Amount borrowed specifically for Initial Public Offering (IPO) – Anchor and QIB Category are capitalised to investments.

**2.14 INCOME TAXES****A) Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Current income tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

**B) Deferred tax**

Deferred income tax is recognised using the balance sheet approach.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- b) In respect of taxable temporary differences associated with investments in associates, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred taxes are not provided on the undistributed earnings of associates where it is expected that the earnings of the associates will not be distributed in the foreseeable future. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Such deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

**Presentation of current and deferred tax:**

Current and deferred tax are recognised as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognised in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**2.15 IMPAIRMENT OF NON-FINANCIAL ASSETS**

An assessment is done at each consolidated balance sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

**2.16 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised in the consolidated financial statements.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**2.17 STATEMENT OF CASH FLOWS**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in inventories, operating receivables, payables and transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses and;
- iii. all other items for which the cash effects are investing or financing cash flows. Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of consolidated balance sheet.

**2.18 EARNINGS PER SHARE**

Basic earnings per share is calculated by dividing the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss (before Other Comprehensive Income) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**2.19 INVESTMENT PROPERTY**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is de-recognised.

Investment properties are subsequently measured at cost less depreciation. Investment properties are depreciated using the straight-line method over their estimated useful lives.

**2.20 RETIREMENT BENEFITS****Short-Term Employee Benefits**

Liabilities for salary and bonus, including non-monetary benefits, if any and accumulated leave balance in respect of employees' services up to the end of the reporting period, are recognised as liabilities and expenses.

**Defined Contribution Plan and Defined Benefit Plan**

Retirement benefits in the form of provident fund under the Employees Provident Fund (Misc. Provisions) Act, 1952 and gratuity under the Payment of Gratuity Act, 1972 are not applicable to the Company as the total numbers of employees are below the minimum required number of employees as specified in respective acts.

However on prudent basis the company provides the liability for gratuity benefits covering all its eligible employees who has completed a minimum of five years of continuous service with the company up to the date of reporting period.

**Other Long-Term Benefits**

The expected costs of other long-term employee benefits such as accumulated leaves are accrued over the period of employment and same has been provided based on accrual basis at year end.

**2.21 SHARE CAPITAL**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options, and buyback of ordinary shares are recognised as a deduction from other equity.

**2.22 SEGMENT REPORTING**

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one reportable business segment viz. "Investments, Trading in shares and securities & Lending Activities".

**2.23 COMMITMENTS**

Commitments are future liabilities for contractual payments, classified and disclosed as follows:

- i. estimated amount of contracts remaining to be executed on capital account and not provided for;
- ii. uncalled liability on shares and other investments partly paid;
- iii. other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

**Note**

- The evaluation of uncertain tax positions involves an interpretation of relevant tax laws which could be subject to challenge by the tax authorities and an assessment of whether the tax authorities will accept the position taken. The Company does not currently consider that assumptions or judgements made in assessing tax liabilities have a significant risk resulting in a material adjustment within the next financial year. **Trade receivables & other receivables**

Exposures of trade receivables are reviewed at the end of each reporting period by the Company to determine expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. However, company has policy to create impairment wherever required.

**Investment in various instruments**

Credit risk on investment in debt instruments is limited as company generally invests in debt instruments like mutual fund, preference shares, debentures with high credit ratings assigned by international and domestic credit rating agencies.

**Loans**

The Company considers default in all cases when the borrower becomes 90 days past due on its contractual payments. All performing standard assets loans are classified under Stage 1.

**Expected Credit Loss (ECL) on Financial Assets**

The Company continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired :

- (a) Historical trend of collection from counterparty
- (b) Company's contractual rights with respect to recovery of dues from counterparty
- (c) Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with contract and the cash flows that the Company expects to receive). The Company has following types of financial assets that are subject to the expected credit loss:

- (a) Cash and cash equivalent
- (b) Bank balance other than (a) above
- (c) Loans
- (d) Trade receivables
- (e) Investment in unlisted securities
- (f) Other financial assets

**Fair value hierarchy:**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- (a) **Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, derivative instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV as published on Association of Mutual Funds of India (AMFI).
- (b) **Level 2:** Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- (c) **Level 3:** If one or more of the significant Inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

**Valuation techniques used to determine fair value :**

1. Closing NAV Statement from Mutual fund is used to determine fair value of unquoted Mutual Fund, if any.
2. Fair values of quoted investments held for trading & investment purpose and derivative instruments under FVTPL are valued using the closing price of NSE / BSE as at the reporting period, if any.
3. Fair values of quoted investments routed through FVOCI are valued using the closing price of NSE / BSE as at the reporting period, if any.
4. Fair value of unquoted investments, covered in Level 2, are derived from transaction in said securities between unrelated parties in the month of March 2025. The valuation of AIFs was based on NAV reports provided by the respective AIFs.
5. For unlisted group companies investments, for which latest consolidated audited balance sheet are available are classified under level 3. Accordingly, their fair value can be derived from the latest Consolidated audited balance sheet by applying below formula: "Share capital + other equity - prepaid expenses) / no of equity shares = value per share."

**Valuation techniques :**
**Short-term financial assets and liabilities**

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalents, trade receivables, balances other than cash and cash equivalents and trade payables without a specific maturity. Such amounts have been classified as Level 1 / Level 3.

**d Inter level transfers:**

There were no inter-level transfers during the year.

**Note 38: Capital Management**

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves attributable to the equity shareholders of the Company. The primary objective of the company, when managing capital, is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure, so as to maximize shareholders' value. As at 31<sup>st</sup> March, 2025, the Company has only one class of equity shares and has Borrowings (other than debt securities). In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or reinvestments into business based on its long term financial plans.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025

(Rs. in Lakhs, unless otherwise stated)

The Company is subject to the capital adequacy requirements of the Reserve Bank of India (RBI). Under RBI's capital adequacy guidelines, the Company is required to maintain a capital adequacy ratio consisting of Tier I and Tier II Capital. The minimum capital ratio as prescribed by RBI guidelines and applicable to the Company, consisting of Tier I and Tier II capital, shall not be less than 15 percent of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet. The Tier I capital, at any point of time, shall not be less than 10 percent.

The Company has complied with all regulatory requirements related to capital and capital adequacy ratios as prescribed by RBI. (Refer note 38 of standalone financial statement.)

**Note 47 : Employee Benefits**

Retirement benefits in the form of provident fund under the Employees Provident Fund (Misc. Provisions) Act, 1952 and gratuity under the Payment of Gratuity Act, 1972 are not applicable to the Company as the total number of employees are below the minimum required number of employees as specified in respective Acts. However on prudent basis the company provides the liability for gratuity benefits covering all its eligible employees who has completed a minimum of five years of continuous service with the company up to the date of reporting period.

The expected costs of other long-term employee benefits such as accumulated leaves are accrued over the period of employment and same has been provided based on accrual basis at year end. The Code on Social Security, 2020 (the Code) has been enacted, which would not impact to the company and its associates.
